

Ratification Ceremony

IRCT Group Stated the Power against Corruption

News

2 September 2016

Mrs. Pimjai Leeissaranukul, the Chairman, and Mr. Takenori Nakamoto, the President of Inoue Rubber (Thailand) Public Co.,Ltd (IRC), along with Mr. Koiji Yamauchi, Managing Director of Inoac Tokai (Thailand) Co.,Ltd (ITTC), Mr.Bunpoj Yangcharern and Mrs. Chalame Boonpakob, the president and the vice president of IRCT motorcycle tire manufacturing labor union respectively, including the companies in the IRCT group, which are IRC (Asia) Research Limited (IAR), Kinno Hoshi Engineering Co.,Ltd (KIN), Inoac Tokai (Thailand) Co.,Ltd (ITTC) and Thai Inoac Components Co.,Ltd (TIC) together participated in the signing ceremony of the “Anti-Corruption” Ratification that was organized on September 2nd, 2016 in front of the office building, Inoue Rubber (Thailand) Public Co.,Ltd.

The Company’s Anti-Corruption activity not only responds and cooperates with the government policy, but also intends to push forward the IRCT employees to become the active citizens, who are enthusiastic and public-minded, honestly and sincerely take responsibility for their works, oppose corruption, as well as be cognizant to corruption problems. Thus, they can be good whistle blowers for the Company.

All together, there were around 3,000 employees participating in the activities. This obviously shows strong intention of the IRC employees against all forms of corruption to bring the Company toward the sustainability goal.
